RE: April Quarterly Report (1/1/2016-3/31/2016)
Response Due Date: May 31, 2016

Dear Ms. Benitz:

This letter is in response to the Commission's request for additional information regarding the obligation/payment dates used to disclose independent expenditures on Schedule E of the April Quarterly Report. Currently the committee's software vendor, NGP VAN (which is FEC approved), requires the use of both the obligation/payment and dissemination date fields on Form 24 and Schedule E, even if a payment has not been made for the expenditure at the time the 24/48-hour notice or quarterly report is filed. On the 24-hour notice that was filed on February 19, 2016, the committee used both the obligation and dissemination dates to disclose the estimated costs of the television advertising production since Revolution Political Media had not yet been paid. When the committee filed the April Quarterly report, it disclosed the independent expenditure using the payment and dissemination dates because the vendor was paid during the reporting period.

The committee understands that NGP VAN is working to address this issue and hopes to have it resolved in the coming weeks.

I hope this information adequately addresses your questions. If you need any further information, please do not hesitate to contact the committee.

Sincerely,

Diane Evans
Treasurer
